

Covington HOA 2022 Pool Rules

- Pool & adjoining recreational areas are for Covington Homeowners Association member's current on all dues & assessments.
- All members must have their fob to access any of the recreational areas. Please DO NOT hold the pool gate open for other residents. All residents should have their own fob. The HOA restricts access to amenities by turning off fobs if homeowners have not paid dues, so we ask you not to hold the door open. If they have a fob and it does not work, the lifeguard will assist them.
- Homeowners are required to sign themselves and any guests in, upon entering the pool.
- All guests must be accompanied by at least one homeowner at all times.
- Any person under the age of 13 must be accompanied by someone 18 years of age or older and remain under their supervision until the minor child leaves the pool area.
- Safety Swim (used to be referred to as Adult Swim) is the time when lifeguards are on break. During this time, only experienced swimmers are allowed in the pool. The only exceptions to this rule are children under age 2 who are swimming with their parent.
